

Academy Of Magic (Dragon's Gift: The Valkyrie Book 2)

Now optioned as a TV series for HBO, with executive producer George R. R. Martin! An award-winning literary author enters the world of magical realism with her World Fantasy Award-winning novel of a remarkable woman in post-apocalyptic Africa. In a post-apocalyptic Africa, the world has changed in many ways; yet in one region genocide between tribes still bloodies the land. A woman who has survived the annihilation of her village and a terrible rape by an enemy general wanders into the desert, hoping to die. Instead, she gives birth to an angry baby girl with hair and skin the color of sand. Grippled by the certainty that her daughter is different—special—she names her Onyesonwu, which means "Who fears death?" in an ancient language. It doesn't take long for Onye to understand that she is physically and socially marked by the circumstances of her conception. She is Ewu—a child of rape who is expected to live a life of violence, a half-breed rejected by her community. But Onye is not the average Ewu. Even as a child, she manifests the beginnings of a remarkable and unique magic. As she grows, so do her abilities, and during an inadvertent visit to the spirit realm, she learns something terrifying: someone powerful is trying to kill her. Desperate to elude her would-be murderer and to understand her own nature, she embarks on a journey in which she grapples with nature, tradition, history, true love, and the spiritual mysteries of her culture, and ultimately learns why she was given the name she bears: Who Fears Death.

Where winning means survival According to legend, I'm supposed to be some kind of all-powerful DragonGod-gifted with the magic of gods. Instead, I'm a dud. In fact, I'm currently failing out of the Undercover Protectorate's magical institute. It's the supernatural version of Scotland Yard, and I've got one chance left to earn my place here. To do so, I have to compete in a deadly race across the world. In order to win, I need to survive. And I'll need the help of a sexy and powerful shifter mage named Lachlan Munroe. When we figure out that the race is rigged, Lachlan and I must rely on each other to make it through. But will I be able to learn enough magic to save my life? Welcome to the Magical Death Match. For five long years, I've wanted just one thing-to find my sister Rowan. Her disappearance tore a hole in my life. Now I've found her-but she's a captive of the same Rebel Gods who hunt me. They've enchanted her to follow their every whim, which will make rescuing her nearly impossible. But I'll do anything it takes, including infiltrating an ancient Celtic war camp. I'll even join the death fights in their arena. To succeed, I'll need to learn to use my new magic. Thankfully, I have the sexy Celtic war god Cade on my side, along with my friends at the Undercover Protectorate. Thank fates for that, because I'm going to need all the help I can get if I want to survive.

A boy grows to manhood while attempting to subdue the evil he unleashed on the world as an apprentice to the Master Wizard.

We're almost out of time. Magic Side is under attack and the prison has been cursed. If I can't break the spell, my city will be overrun. The problem is, my magic is out of control, and I can't fight this battle alone. There's only one person to turn to-Damian Malek. But my strongest ally might also be my greatest threat. I've discovered what Damian is, and it's far worse than just being a fallen angel. I don't trust him, and it's too dangerous to be around him. My very soul, and my magic, are at risk. But I have no choice. Only Damian knows the truth of what is really going on, and he'll only share it with me. We've got to bargain with vampires and demons, battle mythical monsters, and expose the lost secrets of a ruined temple before time runs out. Will he help me save the city I love, or is it a trap to take everything I hold dear? An action-packed urban fantasy, Cursed Angel features a rebel heroine, a dark angel hero, and slow burn romance. Prepare yourself for edge-of-your-seat adventure amongst ancient ruins and mythical places. If you enjoyed the archaeology, history, and daring in Linsey Hall's original Dragon's Gift books, this adventure is for you!

Our fae courts are at war, yet we're still fated. My fated mate is the Seelie Fae king. He's powerful, dangerous, and sexy as hell. Except, I don't want a fated mate. Especially since he thinks I'm a lying snake. Turns out I'm Unseelie, and our courts are at war. When my new Unseelie magic goes haywire and I nearly destroy my city, I can't fix it alone. The only person with strong enough magic is the king. Which means I have to beg my mate for help. I'd rather chew off my own leg, but that won't save Magic's Bend. As we work to save my city from falling into the center of the earth, the danger is greater than we'd realized. To find answers, we must risk a visit to the homeland that rejected me-the Unseelie Court. There, I must master my magic, or all is lost. In a place fraught with death and danger, we have only each other. And I don't know if that will be enough. Heir of the Fae is the thrilling continuation of the hit new release Trial by Fae.

They've infiltrated the games, and if they get their claws on the prize first, all hell will break loose. When I'm paired up with the irresistibly sexy gladiator Maximus, it will take all my skill to keep my eye on the goal. And I have to do it while keeping my dark magic under wraps. Another Dragon Fantasy for everyone who fell in love with the Dragon Lore Series. A dragon shifter stirs and awakens in a cave beneath Inverness, deep in

the Scottish Highlands. The cave's the same and his hoard intact, yet something's badly amiss. Determined to set whatever's gone wrong to rights, Lachlan Moncrieffe ventures above ground—and wishes he hadn't. His castle's gone, replaced by ungainly row houses. Men aren't wearing plaids, and women scarcely wear anything at all, particularly the woman who accosts him with unseemly banter. What manner of wench is she to dress so provocatively? In Inverness for a year on a psychiatry fellowship, Dr. Maggie Hibbins watches an oddly dressed man pick his way out of a heather and gorse thicket. Even though it runs counter to her better judgment, she teases him about his strange attire. He looks so lost—and so unbelievably, knock-out gorgeous—she takes a chance and stands him a meal. Lachlan's shock when he picks up a local newspaper at a pub is so palpable, Maggie jumps in with both feet. She knew something was off, but the hard-to-accept truth bashes gaping holes in her equilibrium. He looks odd, sounds odd, acts odd because he's a refugee from another era. Her half-baked seduction scheme takes a hike, but her carefully constructed life is still about to change forever. Born of powerful witches, Maggie runs headlong into the myth and magic that are her birthright. PRAISE FOR THE DRAGON LORE SERIES: "That was SPECTACULAR! Book Description: After years as a black ops CIA agent, nothing surprises Roy Kincaid, yet his current assignment is close to a bust. How could his target--renegade genetic freaks--drop off the radar as if they never existed? Burnt out and discouraged, he hunches over a meal in a backwater diner when a half-frozen woman with the look of an abused runaway staggers through the door. On his feet in an instant, Roy kicks himself. His first instinct is to help her, make certain she stays long enough for the bluish cast to leave her lips. His second is to finish his meal and leave. The world is full of broken women. It's not his job to fix them, but he can't take his eyes off her. Glory's telepathic ability blares a harsh warning. Roy hunts those like her, but damn if he didn't buy her dinner. Maybe she can fool him, just for tonight. Add a dry motel room to the meal. If she plays it very cool, he'll never find out she's on the run from the same group he's targeted for death. Enhanced genetics only go so far. A roadblock and her face on a Most Wanted flyer shatter her fragile truce with Roy. If her Handlers find her, they'll kill her. If Roy finds out what she is, she'll be worse than dead. Series Backstory: Sometime between the interminable wars in the Middle East and 9/11, the United States moved forward breeding a race of super humans. Clandestine labs formed, armed with eager scientists who'd always yearned to manipulate human DNA. At first the clones looked promising, growing to fighting size in as little as a dozen years, but V1 had design flaws. Seven years ago, a rogue group turned on their creators, blew up the lab, and hit all the other breeding farms, freeing whomever they could find. In the intervening time, they've retreated to hidden compounds and created a society run by men. Women are kept on a tight leash because the men fear if they discover their innate power, they'd launch their own rebellion.

No one wants to be sent to Academie Metamorphose, the magical academy for delinquents. No one but me. I've purposely gotten kicked out of three prestigious academies. It's taken two and a half years. Finally, I'm about to get put into their reform program. And I'm thrilled. Not about the shit classes at this boarding school. Definitely not about the intense physical regimen. I'm excited because this academy is the perfect recruiting grounds for what I need: a force, a detonator, and a tock with loose morals and an affinity for breaking the rules. I need a powerful, heartless crew, because I'm about to pull off the magical heist of the century.

I am the Druid Finally, I know what I am. The Druid of the Dragon Gods. The knowledge comes at a price, however. Two new golden tattoos have appeared on my arms, and they're blocking my magic. Magic that I need to survive. When two ancient druids show up at the Protectorate needing my help, it's obvious there's something big at play. A dangerous force has invaded the Celtic realm, and they say that only I can save it. I jump on the chance, and not just because I want to. If I can go to the Celtic realm, maybe I can learn more about what I am. Maybe I can save my magic. With the powerful shifter mage Lachlan at my side, we encounter a realm of extreme danger-and mystery. It's up to us to unravel it before the Celtic realm is destroyed and I lose my magic forever..

Life has gotten a bit dicey, lately. Which is a major understatement. My normal gig as a demon slayer turns extra deadly when a group of them attacks my home. I manage to take them out, but not before it's too late. My sister and I are hit by the deadly fire veins curse. We have only days to find a cure, so we've got to split up to cover more ground. I'm lucky to have access to Declan, one of the most powerful fallen angels in the world. Not to mention, one of the hottest. One that I'm falling for faster than I like. But he's the guy with the skill to help me find the cure, and I need all the help I can get. As we hunt for the cure to the curse that's killing me, we uncover that threat is far greater than I'd even realized. There's a mystery here, one that could tear my whole world apart. I just need to figure out what it is. Demon Curse is a fast-paced urban fantasy adventure starring a kick butt heroine, a powerful hero, and whole lot of humor.

Cass Clereaux has a few problems. Sure, she just saved her whole town and is now immortal, but immortality sucks. The same spell that made her immortal also takes away her magic. It's kaput. Finito. Gone. Being a FireSoul and finding magical treasure is who she is. Now, she couldn't find her left leg with a map. Not even if a dragon pointed the way. To make matters worse, her concealment charm is malfunctioning. Demons are showing up left and right, trying to bring her head back to the Monster who stalks her. While Cass is on the hunt to recover her magic and learn about her past, the specter of the Monster is getting ever closer to his mysterious end goal. She's prophesied to meet him on the field of battle-but if she doesn't have her magic back by then, she's dead.

I ran up Shephard's Mountain to escape the Monsters that were chasing me... ..and the Demons that were haunting my memories. Instead, I fell into a world where Magic is the New Black and the Challenges I face have nothing to do with curling irons and study groups. Drae Hallow is the home of Rule 9 Academy where nobody is normal and we're all a little bit of strange. They've invited me to attend their School for Magicals. Apparently, there's something inside of me and it wants to come out to play. But I need to learn to control it before it controls me. I'm game... After all, I might be my Momma's trouble; but I've always been my Daddy's stubborn. I'll need every bit of it too, because something else roams the woods after dark, and it doesn't have anything to do with Shifting 101. Together, with the help of others just like me, we'll have to uncover the lies before it's too late. The Magical world depends on us to find out the truth...or its Lights Out, Dark Ages and Witch Hunts all over again. If I'm not careful, my first semester might just be my last. Fire Born Dragon will resonate with fans of BR Kingsolver and G.K. DeRosa...

Military Romance

A rebellious knight. A fearsome dragon. An impossible challenge. When a fiendish enemy attacks his family's keep, Taun, a human knight, must bond with the spirit of an ancient warlord: the Dread Dragon Tyrant Axarant. And though accepting the dragon's soul scale saved his family from certain destruction in one battle, Axarant's power threatens to tear Taun apart before they can win the war. To save himself from the dragon trapped within him, Taun must brave the dangers of the Celestial Academy. Surrounded by young dragons, the knight must master the power of dragon's breath. Something no human has ever achieved. Faced with haughty young dragon nobles, deadly tests of his skill, and hostile traditions, the knight must transform a band of unlikely dragon students into a formidable force. Because if Taun doesn't win the school's brutal competition and an audience with the Scaled Council, his family and the dragon kingdoms are doomed to fall to the dark enemy of a previous era. Scaled Soul is the first book in the Dragon Academy series. Filled with magic, crafting, and exotic dragons, this novel from Gage Lee, bestselling author of the School of Swords and Serpents Series, will enchant fans of the cultivation genre!

In the city of Magic's Bend, I protect what's mine. To the world, I'm a feeble Conjuror. To my closest friends, I'm a dangerous Magica with unexplainable powers given to me by a dragon. The downside? If anyone discovers what I am, I'm dead. So I lay low- kicking ass with my weapons, not my magic. Things go to hell when I witness the murder of a powerful vampire ally and become the key suspect. Soon, I'm hunted by the sexiest, strongest supernatural I've ever met. Ares is an unheard of vampire hybrid, and it's hard to say if he wants to screw me or screw me over. I've got three days to catch the real killer. The bad news? It will take my forbidden magic to succeed. But can I control it, much less keep my secret with Ares watching my every move? I'm used to protecting others...now I have to protect myself. *This is an unofficial advance copy. It does not yet have the official cover.
