**God in the Bullpen! How else would one describe the One who rescued a major league pitcher? Many professional athletes have experimented with drugs. They gave me a feeling of invincibility, but they hurt my performance. Soon, the “greenies” became a habit, and eventually I**

washed them down with alcohol. Of course, that became a habit, too. Eventually, addiction led to failed rehabilitation efforts and an automobile accident while driving impaired that nearly took my life. When I reached the lowest point ever, the ultimate relief pitcher, God, came from the bullpen and saved my life. I was later diagnosed with cirrhosis. My liver was incurably damaged by the alcohol. With His help, I am battling this, but only God can know how much time I have left. I want to tell my story to help others avoid the pitfalls that brought me to a time of despair. I also want to tell you that the LORD can help you if you will give your life to Him: and, He will give you eternal life in Heaven.

In season four of Darren Star's hit TV Land series *Younger*, the editors at Empirical Press are shocked and deeply moved when they read *Marriage Vacation*, an autobiographical novel by the publisher's estranged wife, Pauline Turner Brooks. Knowing the book will cause a sensation, they decide they must publish it. Now you can read what the hype is about—including page 58 that had everyone buzzing (...and blushing). *Marriage Vacation* is for anyone who has ever fantasized about what it would be like to run away from it all. By all appearances, Kate Carmichael has the perfect life: two adorable daughters, a prewar townhouse on the Upper East Side, and a husband who runs one of the most successful publishing companies in New York. But when Kate

attends a wedding and reconnects with successful friends from graduate school, she suddenly sees her life in a different light: the career she didn't pursue, the dreams she's locked away, the empty veneer of her privilege. When the wedding weekend ends, instead of heading home to her husband and family, Kate gets on a plane and flies halfway around the world. She claims it's just going to be for a week—two max—just so she can clear her head and reconnect with her lost dreams. But the adventure doesn't go quite as planned. This provocative and gripping novel asks: Is a wife and mother allowed to have a midlife crisis? And, if she does, can she ever be forgiven? PRAISE FOR Marriage Vacation "Marriage Vacation has everything you want in a novel: fascinating characters, drama, secrets, emotional reckonings, and far-flung adventure. If you love Younger, you'll love this book. If you've never watched an episode of Younger (you should change that), you'll still love this book. And just wait until you read page 58!" —Darren Star, creator of Sex and The City and Younger "This brilliant

romp helps us understand why Liza was so excited to discover the manuscript, how any woman could leave the dreamy Charles, and what exactly Pauline—by way of her fictional alter ego, Kate Carmichael—did on that mysterious Marriage Vacation. Pack this heartfelt, insightful, funny, sexy book when you take a vacation of your own.” —Pamela Redmond Satran, author of *Younger*
