Heidi Wood has always been a charitable woman. Still, her husband and daughter are horrified when Heidi returns home one day with a young woman named Willow and her four-month-old baby in tow. Disheveled and apparently homeless, this girl could be a criminal--or worse. Nevertheless, Heidi invites Willow and the baby to take refuge in their home, despite her family's objections. As clues into Willow's past begin to surface, Heidi is forced to decide how far she's willing to go to help a stranger. What starts as an act of kindness quickly spirals into an unrelenting web of lies and a story far more twisted than anyone could have anticipated.

In this powerful conclusion to The List, Letta wields the power of words to save the world. The city of Ark is no longer safe. Before the rebellion, everyone could only speak List, a language of just 500 words. But when Letta became the Wordsmith, the keeper of all the words that have ever existed, she learned that being able to express yourself is what makes us human. And now, the new ruler has wicked plans to eliminate language once and for all: If babies never hear a single word, they will never learn to speak. Letta and the other rebels must find a way to defeat the evil for good before they lose the very thing that will set them free.

Mike is desperate to find Charley before he meets a similar fate. His investigation brings him to the miles of forest and riverside towns along the Canadian border—but he soon learns that even his fellow wardens have secrets to keep. THE INSTANT NEW YORK TIMES BESTSELLER From the author of *Survive the Night* and *Final Girls* comes a tense and twisty thriller about a summer camp that's impossible to forget—no matter how hard you try. Two Truths and a Lie. Vivian, Natalie, Allison, and Emma played it all the time in their cabin at Camp Nightingale. But the games ended the night Emma sleepily watched the others sneak out into the darkness. The last she—or anyone—saw of the teenagers was Vivian closing the cabin door behind her, hushing Emma with a finger pressed to her lips.... Fifteen years later, Emma is a rising star in the New York art scene, turning her past into paintings—massive canvases filled with dark leaves and gnarled branches over ghostly shapes in white dresses. When the paintings catch the attention of the wealthy owner of Camp Nightingale, she implores Emma to come back to the newly reopened camp as a painting instructor. Despite her guilt and anxiety—or maybe because of them—Emma agrees to revisit her past. Nightingale looks the same as it did all those years ago, haunted by a midnight-dark lake and familiar faces. Emma is even assigned to the same cabin she slept in as a teenager, although the security camera pointed at her door is a disturbing new addition. As cryptic clues about the camp's origins begin to surface, Emma attempts to find out what really happened to her friends. But her closure could come at a deadly price.
