

Tiger

Ulrich Krotz's 'Flying Tiger' takes a relatively obscure episode - the joint Franco-German production of a very expensive military helicopter, the Tiger helicopter - to make a groundbreaking theoretical contribution to international relations scholarship.

Hoping to acquire wisdom from man, Tiger ends up instead with stripes on his golden coat.

Award-winning author Aliette de Bodard returns with Fireheart Tiger, a fantasy novella that reads like The Goblin Emperor meets Howl's Moving Castle set in a world inspired by precolonial Vietnam...

The Second Life of Tiger Woods

Bones of the Tiger

Tiger Eyes

"A little girl encounters various animals before finding her cat."--Source inconnue.

Written by a New York Times bestselling author and reporter who “knows the world of professional golf...like few others” (The Wall Street Journal) comes “the most insightful and evenhanded book written yet about one of the signature athletes of the last twenty-five years” (Booklist, starred review) detailing Tiger Woods’s remarkable comeback and his journey back into winner’s circle. Tiger Woods’s long descent into a personal and professional hell reached bottom in the early hours of Memorial Day in 2017. Woods’s DUI arrest that night came on the heels of a desperate spinal surgery, just weeks after he told close friends he might never play tournament golf again. His mug shot and alarming arrest video were painful to look at and, for Woods, a deep humiliation. The former paragon of discipline now found himself hopelessly lost and out of control, exposed for all the world to see. That episode could have marked the beginning of Tiger’s end. It proved to be the opposite. Instead of sinking beneath the public disgrace of drug abuse and the private despair of a battered and ailing body, Woods embarked on the long road to redeeming himself. In The Second Life of Tiger Woods, Michael Bamberger, who has covered Woods since the golfer was an amateur, draws upon his deep network of sources inside locker rooms, caddie yards, clubhouses, fitness trailers, and back offices to tell the true and inspiring story of the legend’s return. Packed with new information and graced by insight, Bamberger’s story reveals how this iconic athlete clawed his way back to the top. This is a “gripping” (Kirkus Reviews) and intimate portrait of a man who has spent his life in front of the camera but has done his best to make sure he was never really known. Here is Tiger, barefoot, in handcuffs, showing a police officer a witty and self-deprecating side of himself that the public never sees. Here is Tiger on the verge of tears with his children at the British Open. Here is Tiger trying to express his gratitude to his mother at a ceremony at the Rose Garden. In these pages, Tiger is funny, cold, generous, self-absorbed, inspiring—and real. The Second Life of Tiger Woods is not only the saga of an exceptional man but also a celebration of second chances. Bamberger’s bracingly honest book is about what Tiger Woods did, and about what any of us can do, when we face our demons head-on.

Blood of the Tiger takes readers on a wild ride to save one of the world’s rarest animals from a band of Chinese billionaires. Many people think wild tigers are on the road to recovery, but they are in greater danger than ever—from a menace few experts saw coming. There may be only three thousand wild tigers left in the entire world. More shocking is the fact that twice that many—some six thousand—have been bred on farms, not for traditional medicine but to supply a luxury-goods industry that secretly sells tiger-bone wine, tiger-skin décor, and exotic cuisine enjoyed by China’s elite. Two decades ago, international wildlife investigator J. A. Mills went undercover to expose bear farming in China and discovered the plot to turn tigers into nothing more than livestock. Thus begins the story of a personal crusade in which Mills mobilizes international forces to awaken the world to a conspiracy so pervasive that it threatens every last tiger in the wild. In this memoir of triumph, heartbreak, and geopolitical intrigue, Mills and a host of heroic comrades try to thwart a Chinese cadre’s plan to launch billion-dollar industries banking on the extinction of not just wild tigers but also elephants and rhinos. Her journey takes her across Asia, into the jungles of India and Nepal, to Russia and Africa, traveling by means from elephant back to presidential motorcade, in the company of man-eaters, movie stars, and world leaders. She also journeys to the US where we meet people like Carole Baskin of Big Cat Rescue, who work tirelessly to end cub petting and ban private ownership and breedingof tigers and other big cats. She finds reason for hope in the increasing number of Chinese who do not want the blood of the last wild tigers to stain their beloved culture and motherland. Set against the backdrop of China’s ascendance to world dominance, Blood of the Tiger tells of a global fight to rein in the forces of greed on behalf of one of the world’s most treasured and endangered animals.

By using his imagination and creativity, he can create fun by himself! © 2019 The Fred Rogers Company

A passionate first-person narrative by Valmik Thapar, who has spent most of the last thirty years observing tigers in the wild and fighting to ensure their survival, is supplemented by the latest scientific findings and essays by twenty of the world's most renowned experts. This stunning book explores every aspect of one of nature's most majestic animals, making Tiger:

The Ultimate Guide as authoritative as it is beautiful. Book jacket.

When the Panzer VI Ausf.E Tiger I tank first arrived on the battlefield, it launched an Allied and Soviet intelligence race to discover everything they could about this new threat. The British Army needed to know how to knock it out, and then communicate their information to the troops that had to face this new German metal monster either by official means or via newspapers. Using original official period documents from the Second World War, How to Kill a Tiger Tank: Unpublished Scientific Reports from the Second World War, this is not a typical book on the Tiger tank. It shows the reader what the British and Commonwealth forces knew about the Tiger I tank during the war and the results of scientific firing trials. Unpublished and original documents, discovered in different archives, have been transcribed and reproduced along with existing photographs found in these secret reports. These include top secret Bletchley Park Enigma intercepts of German messages, which were decoded and translated before being sent to Prime Minister Winston Churchill. One such intercept discovered in the archives shows the exact moment when Churchill became aware of the existence of a heavy tank called the Tiger. On 25 November 1942, he marked the intercept in his normal red pen and asked Field Marshal Alan Brooke, Chief of the Imperial General Staff, indicating the word 'Tiger' in the message with 'CIGGS, what are these?'

Seeing Through a World of Numbers

More than just a true crime documentary, Netflix's Tiger King provided an exclusive glimpse into the bizarre, cult-like world of big cat enthusiasts. By focusing on Joseph Maldonado-Passage, it gave us an unexpected anti-hero whose insatiable appetite for fame and his paranoid obsession with rival Carole Baskin ultimately led to his shocking downfall. In this no-holds-barred memoir, Joe pulls back the curtain on the man behind the headlines. From a tragic childhood riddled with abuse to his dangerous feuds with big cat rivals and beyond, nothing is off the table. Print run 150,000.

“Poignant but not treacly, Crouching Tiger deals with an immigrant child’ s conflicting emotions toward a grandparent from the old country Nascimbene ’ s delicate ink and watercolor illustrations are exquisite.” – The New York Times Book Review
Vinson is very excited when his grandfather comes from China for a visit. When Grandpa practices tai chi in the garden, Vinson asks to learn, hoping it will be like kung fu, full of kicks and punches. But tai chi is slow and still, and Vinson quickly gets bored. He can ’ t understand why Grandpa insists on calling him by his Chinese name, Ming Da, or why he has to wear a traditional Chinese jacket to the Chinese New Year parade. But as the parade assembles, Vinson sees the respect his grandfather commands and starts to realize just how cool his grandfather might be.

Blood of the Tiger takes readers on a wild ride to save one of the world ’ s rarest animals from a band of Chinese billionaires. Many people think wild tigers are on the road to recovery, but they are in greater danger than ever—from a menace few experts saw coming. There may be only three thousand wild tigers left in the entire world. More shocking is the fact that twice that many—some six thousand—have been bred on farms, not for traditional medicine but to supply a luxury-goods industry that secretly sells tiger-bone wine, tiger-skin d é cor, and exotic cuisine enjoyed by China ’ s elite. Two decades ago, international wildlife investigator J. A. Mills went undercover to expose bear farming in China and discovered the plot to turn tigers into nothing more than livestock. Thus begins the story of a personal crusade in which Mills mobilizes international forces to awaken the world to a conspiracy so pervasive that it threatens every last tiger in the wild. In this memoir of triumph, heartbreak, and geopolitical intrigue, Mills and a host of heroic comrades try to thwart a Chinese cadre ’ s plan to launch billion-dollar industries banking on the extinction of not just wild tigers but also elephants and rhinos. NATIONAL BOOK AWARD FINALIST • NEW YORK TIMES BESTSELLER • “Spectacular . . . [T é a Obrecht] spins a tale of such marvel and magic in a literary voice so enchanting that the mesmerized reader wants her never to stop.”—Entertainment Weekly
Look for T é a Obrecht ’ s second novel, Inland, now available.
NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY Michiko Kakutani, The New York Times • Entertainment Weekly • The Christian Science Monitor • The Kansas City Star • Library Journal
Weaving a brilliant latticework of family legend, loss, and love, T é a Obrecht, the youngest of The New Yorker ’ s twenty best American fiction writers under forty, has spun a timeless novel that will establish her as one of the most vibrant, original authors of her generation. In a Balkan country mending from war, Natalia, a young doctor, is compelled to unravel the mysterious circumstances surrounding her beloved grandfather ’ s recent death. Searching for clues, she turns to his worn copy of The Jungle Book and the stories he told her of his encounters over the years with “the deathless man.” But most extraordinary of all is the story her grandfather never told her—the legend of the tiger ’ s wife.
NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Wall Street Journal • O: The Oprah Magazine • The Economist • Vogue • Slate • Chicago Tribune • The Seattle Times • Dayton Daily News • Publishers Weekly • Alan Cheuse, NPR ’ s All Things Considered “Stunning . . . a richly textured and searing novel.”—Michiko Kakutani, The New York Times “[Obrecht] has a talent for subtle plotting that eludes most writers twice her age, and her descriptive powers suggest a kind of channeled genius. . . . No novel [this year] has been more satisfying.”—The Wall Street Journal
“Filled with astonishing immediacy and presence, fleshed out with detail that seems firsthand, The Tiger ’ s Wife is all the more remarkable for being the product not of observation but of imagination.”—The New York Times Book Review
“ That The Tiger ’ s Wife never slips entirely into magical realism is part of its magic. . . . Its graceful commingling of contemporary realism and village legend seems even more absorbing.”—The Washington Post

Tigers

A Folktale from Vietnam

Identification, Natural History, and Distribution of the Cicindelinae

When Josephine returns to town after a walk in the woods, a tiger strolls along with her. For a moment she's not sure what to do, but then she decides to take him home. And after their initial fright, it's not just Josephine but the whole town that becomes very fond of Tiger. But however much they all love him, Tiger must return to the place where he belongs. And Josephine will take him there...Three-time winner of the Golden Brush Award [best illustrator], Jan Jutte applies his characteristic style to paint a passionate picture book, in which the mutual affection between Josephine and Tiger radiates from every page. Everyone would want to have a Tiger like that. But everyone will

also understand that real friends let each other live where they are most at home.

Saving our planet's most endangered and threatened creatures is the mission of this new, dynamic series from National Geographic that features an amazing narrative for each animal, plus an exciting layered design highlighting beautiful photography and amazing true stories of adventure with animals. A portion of the proceeds goes to support activities or research that will help save that animal. Simultaneous.

The Reese Witherspoon x Hello Sunshine Book Club Pick INSTANT NEW YORK TIMES BESTSELLER “A sumptuous garden maze of a novel that immerses readers in a complex, vanished world.” —Kirkus (starred review) An utterly transporting novel set in 1930s colonial Malaysia, perfect for fans of Isabel Allende and Min Jin Lee Quick-witted, ambitious Ji Lin is stuck as an apprentice dressmaker, moonlighting as a dancehall girl to help pay off her mother’s Mahjong debts. But when one of her dance partners accidentally leaves behind a gruesome souvenir, Ji Lin may finally get the adventure she has been longing for. Eleven-year-old houseboy Ren is also on a mission, racing to fulfill his former master’s dying wish: that Ren find the man’s finger, lost years ago in an accident, and bury it with his body. Ren has 49 days to do so, or his master’s soul will wander the earth forever. As the days tick relentlessly by, a series of unexplained deaths racks the district, along with whispers of men who turn into tigers. Ji Lin and Ren’s increasingly dangerous paths crisscross through lush plantations, hospital storage rooms, and ghostly dreamscapes. Yangsze Choo’s The Night Tiger pulls us into a world of servants and masters, age-old superstition and modern idealism, sibling rivalry and forbidden love. But anchoring this dazzling, propulsive novel is the intimate coming-of-age of a child and a young woman, each searching for their place in a society that would rather they stay invisible. "A work of incredible beauty... Astoundingly captivating and striking... A transcendent story of courage and connection." —Booklist (starred review)

Blood of the Tiger

Tiger King

The Tiger that Isn't

A Story of Conspiracy, Greed, and the Battle to Save a Magnificent Species

Come Here, Tiger!

Discusses the physical characteristics, behavior, and efforts to save the tiger.

More than 2600 species of tiger beetles are found all over the world. In North America there are 116 species of tiger beetle, divided into 153 geographically distinct races. Detailed studies of their natural history, population dynamics, communities, patterns of worldwide species richness, and taxonomy of particular subgroups have produced investigated groups of insects, especially in terms of their ecology and geographic distribution. The first edition of A Field Guide to the Tiger Beetles of the United States and Canada, published in 2005, has served as a field and natural-history guide to all known species of tiger beetles found in North America above the Mexican border. This new edition provides identification, distribution, natural history, and habitat details of the 116 species of tiger beetles in North America. The updated handbook provides new information including observations of seasonality, range extensions and biology, a newly developed list of common names, and twenty-five artistically pleasing identification color plates. The new edition covers the United States and Canada providing essential information to recognize and easily identify tiger beetles for established naturalists and outdoor enthusiasts alike.

It's December 1997 and a man-eating tiger is on the prowl outside a remote village in Russia's Far East. The tiger isn't just killing people, it's annihilating them, and a team of men and their dogs must hunt it on foot through the forest in the brutal cold. To their horrified astonishment it emerges that the attacks are not random: the tiger is hunting a man. When it strikes again, and the story becomes a battle for survival between the two main characters: Yuri Trush, the lead tracker, and the tiger itself. As John Vaillant vividly recreates the extraordinary events of that winter, he also gives us an unforgettable portrait of a spectacularly beautiful region where plants and animals exist that are found nowhere else. This is the largest of its species, which can weigh over 600 lbs at more than 10 feet long - ranges daily over vast territories of forest and mountain, its numbers diminished to a fraction of what they once were. We meet the native tribes who for centuries have worshipped and lived alongside tigers - even sharing their kills with them - in a nation where the tiger's territory in the 19th century and 20th century, many fleeing Stalinism. And we come to know the Russians of today - such as the poacher Vladimir Markov - who, crushed by poverty, have turned to poaching for the corrupt, high-paying Chinese markets. Throughout we encounter surprising theories of how humans and tigers have evolved as scavengers rather than hunters and how early Homo sapiens may have once fit seamlessly into the tiger's ecosystem. Above all, we come to understand the endangered Siberian tiger, a highly intelligent super-predator, and the grave threat it faces as logging and poaching reduce its habitat and numbers - and force it to turn at bay. Beautifully written, man and nature in collision, that leads inexorably to a final showdown in a clearing deep in the Siberian forest.

The heather-scented hills of the Scottish highlands come to life in a mesmerizing novel about a wickedly disturbing man who transforms a hardheaded businesswoman into a willing slave of passion.

Crouching Tiger

Goodnight, Daniel Tiger

Tiger Woods

The Man-eaters of Sundarbans

The Rock #n' Roll Life of Survivor's Founding Member

A hopeful, heartwarming story of a girl discovering her family's past and present when she makes a deal with a magical tiger from her grandmother's stories, the Korean version of "Once upon a time . . ." Some stories refuse to stay bottled up... When Lily and her family move in with her sick grandmother, a magical tiger straight out of her halmoni's Korean folktales arrives. The tiger offers Lily a deal- if Lily will open her grandmother's star jars and return what she stole, the tiger will heal her grandmother. But deals with tigers are never what they seem! With the help of her sister and her new friend Ricky, Lily must find her voice . . . and the courage to face a tiger. Tae Keller, the award-winning author of The Science of Breakable Things, shares a sparkling tale about the power of stories and the magic of family.Think Walk Two Moons meets Where the Mountain Meets the Moon!

"Hey, yo, Jim . . . This is Sylvester Stallone. Give me a call . . ." It was these words that would set Jim Peterik on the road to rock 'n' roll immortality. After he and his Survivor bandmates recorded "Eye of the Tiger" for the Rocky III soundtrack, the song would go on to earn a Grammy, an Oscar nomination, reach triple platinum status—and become one of the most recognizable tunes in music history. But there’s much more to the story of Survivor and its founding member, Jim Peterik, than meets the eye. As one of the most prolific songwriters of his generation, Peterik has cowritten songs with some of the most famous bands and artists of our time, including 38 Special (“Caught Up in You,” “Hold on Loosely”), Sammy Hagar (“Heavy Metal”), The Beach Boys, The Doobie Brothers, REO Speedwagon, Cheap Trick, and many more. Now, for the first time, Peterik is sharing his stories. Filled with tales from Peterik’s life in rock 'n' roll, Through the Eye of the Tiger documents his early days of success with The Ides of March (“Vehicle”), through the often torturous power struggles within Survivor, and the giddy highs that accompany a trail of worldwide hits. From going to a party in Led Zeppelin's hotel room (and turning right back out the door) to escorting a disoriented Janis Joplin back to her hotel room after opening her show in Calgary, Peterik's accounts will surprise and delight. Through the Eye of the Tiger is more than just a memoir of a songwriting legend: it's a classic rock 'n' roll story told through the eyes of someone who has lived through it all—and through the Eye of the Tiger.

SHORTLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR 2018 WINNER OF THE TELEGRAPH SPORTS BOOK AWARDS BIOGRAPHY OF THE YEAR 2019 THE FULL STORY BEHIND THE RISE, FALL AND RISE AGAIN OF TIGER WOODS 'A rattling read... Superbly written' Daily Mail 'Arguably the most serious attempt ever made to get behind golf’s great enigma' Guardian 'Exhilarating, depressing, tawdry and moving... perfectly pitched biography' New York Times Based on three years of extensive research and reporting, two of today’s most acclaimed investigative journalists, Jeff Benedict of Sports Illustrated and eleven-time Emmy Award winner Armen Keteyian, deliver the first major biography of Tiger Woods - sweeping in scope and packed with groundbreaking, behind-the-scenes details of the Shakespearean rise and epic fall of a global icon. In 2009, Tiger Woods was the most famous athlete on the planet, a transcendent star of almost unfathomable fame and fortune living what appeared to be the perfect life - married to a Swedish beauty and the father of two young children. Winner of fourteen major golf championships and seventy-nine PGA Tour events, Woods was the first billion-dollar athlete, earning more than \$100 million a year in endorsements from the likes of Nike, Gillette, AT&T and Gatorade. But it was all a carefully crafted illusion. As it turned out, Woods had been living a double life for years - one that exploded in the aftermath of a late-night crash that exposed his serial infidelity and sent his personal and professional life off a cliff. In Tiger Woods, Jeff Benedict and Armen Keteyian dig deep behind the headlines to produce a richly reported answer to the question that has mystified millions of sports fans for nearly a decade: who is Tiger Woods? Drawing on more than four hundred interviews with people from every corner of Woods's life - friends, family members, teachers, romantic partners, swing coaches, business associates, Tour pros and members of Woods's inner circle - Benedict and Keteyian construct a captivating psychological profile of an African-American child programmed by an attention-grabbing father and the original Tiger Mom to be the 'chosen one', to change not just the game of golf, but the world as well. But at what cost? Benedict and Keteyian provide the startling answers in a biography, updated for this edition, destined to make headlines and linger in the minds of readers for years to come.

A retelling of a folktale about how a pair of magical slippers always find their way back to the tiger whose mother made them for him.

All about Tigers and How to Save Them

A Field Guide to the Tiger Beetles of the United States and Canada

Protecting the Man-Eaters of Nepal

When the Tiger Came Down the Mountain

Mathematics scares and depresses most of us, but politicians, journalists and everyone in power use numbers all the time to bamboozle us. Most maths is really simple - as easy as 2+2 in fact. Better still it can be understood without any jargon, any formulas - and in fact not even many numbers. Most of it is commonsense, and by using a few really simple principles one can quickly see when maths, statistics and numbers are being abused to play tricks - or create policies - which can waste millions of pounds. It is liberating to understand when numbers are telling the truth or being used to lie, whether it is health scares, the costs of government policies, the supposed risks of certain activities or the real burden of taxes.

In December 1997, a man-eating tiger is on the prowl outside a remote village in Russia's Far East. As the trackers sift through the gruesome remains of the victims, they discover that these attacks aren't random: the tiger is apparently engaged in a vendetta.

Claudia Hampton, dying in a hospital, remembers a war-time affair with a young tank officer killed in the North African desert war.
