

Tu Non C

Though better known today as a political theorist than as a dramatist, Machiavelli secured his fame as a giant in the history of Italian comedy more than fifty years before Shakespeare's comedies delighted English-speaking audiences. This bilingual edition includes all three examples of Machiavelli's comedic art: sparkling translations of his farcical masterpiece, The Mandrake; of his version of Terence's The Woman From Andros; and of his Plautus-inspired Clizia--works whose genre afforded Machiavelli a unique vehicle not only for entertaining audiences but for examining virtue amid the

A Vos Marques!

This study, first published in 1990, presents a comprehensive description of the comparative constructions of Spanish and French, and shows that the apparently numerous differences in their syntactic realisations can be accounted for by general constraints on the expression of comparison. There is also a discussion of parallel constructions in other Romance languages,

Read Book Tu Non C

showing that these languages display a range of constructions equally compatible with the suggested pattern of possibilities resulting from the general constraints proposed. This title will be of interest to students of language and linguistics.

Tutto bene! is an entertaining and

Read Book Tu Non C

comprehensive multi-level Italian language course for beginners, uniquely designed for both the classroom and a high degree of independent learning. Based on the communicative approach, the course comprises a combination of components in a range of media. Book 1 is for beginners. In this level you will learn the survival language you need to get by in Italy. Learn to greet people and introduce yourself. Get to know someone by discussing where they're from and exchanging contact details. Be able to

Read Book Tu Non C

describe yourself and others. Order food like an Italian and express your likes and dislikes. Arrange an outing or a dinner. Book a hotel room and make sure it has what you need at the right price. Tutto bene! Book 1 provides the perfect balance, enabling you to enjoy the language while developing an understanding of the grammar. It will give you a strong foundation and the confidence to further develop your Italian. The key components for each level of Tutto bene! are as follows: Tutto bene! book The book presents the Tutto bene!

course in a format designed primarily for the classroom but accessible to the independent learner and complementary to the app. Each level of the course comprises a book with ten self-contained yet progressively linked lessons. Each lesson is carefully structured to introduce new language via an episode of the sitcom series followed by graduated conversation practise, ranging from limited to more open-ended dialogues where students apply the language they've acquired. Listening and responding activities are

integral to each lesson, as are the simple explanations and deductive activities enabling students to understand the grammar. Writing activities are given at the end of every lesson and may be completed in class or later. Tutto bene! sitcom In the Tutto bene! sitcom series we follow an almost-normal group of friends through their quotidian ups and downs living and working in Rome and on holidays in other parts of Italy. The off-beat humour, original soundtrack and idiosyncrasies of the characters in these short episodes are both

entertaining and a great stimulus for learning, while importantly also serving to make the language memorable. By viewing an episode multiple times at intervals and particularly before starting a new lesson, students will recognise their progress with the language and gain a sense of accomplishment. The sitcom series is the foundation of the course, with a short episode of under four minutes' duration introducing the new language and themes for each lesson in the book and on the app. All episodes of

the series can be easily accessed in and out of the classroom: search for Lingopont Tutto bene! on YouTube or download the Lingopont Italian app. Lingopont Italian app: Tutto bene! The app delivers the Tutto bene! course in an interactive mobile format allowing maximum learning flexibility. It is both a vibrant alternative to the classroom for wholly independent learners as well as a rich resource for classroom students to further revise, consolidate and practise. The app offers an engaging and culturally-immersive

learning experience with instant feedback for students to monitor their progress. With a transparent structure and supported step-by-step learning in all the skills, students have the choice of working progressively through the course or working selectively on a particular area. Each lesson comprises an episode of the Tutto bene! sitcom series followed by vocabulary building, speaking, listening, pronunciation and writing activities and culminates in a quiz. There is also a grammar reference for each lesson. Download

the Lingopont Italian app from the app store.

the language. The course comprises a student's book, teacher's book and 180 minutes of audio (available for free download at <http://www.routledge.com/books/details/9780415157285/>) and, through fifteen chapters, follows the progress of an English-speaking student studying in Paris, whose achievements are designed to reflect those of the course user. Special features include: * activities involving pair and group work * an aid to self-assessment at the end of each chapter * hints on vocabulary learning * clear and accessible layout including integrated cartoons. The guidance offered by the teachers book is of particular

nuances of different styles and registers and helps increase knowledge of vocabulary and idiomatic language. The manual provides a wealth of practical tasks based around carefully selected extracts from the diverse text types students are likely to encounter, from literary and expository, to persuasive and journalistic. A mix of shorter targeted activities and lengthier translation pieces guides learners through the complexities and challenges of translation from English into French. This comprehensive manual is ideal for advanced undergraduate and postgraduate students in French language and translation.
