Many people don't take the Bible off the shelf and open it up and read it because they say they haven't ever read or studied the Word of God before; it will help you get a little basic knowledge in the Word of God. I wrote this Study Guide for people who have just got saved or for young people. When anyone uses the Expositor's Study Bible along with this study they will find some of the answers are in the commentary part. Today there are many study guides out there that provide some help for you, but this Study Guide breaks down every chapter in the first five books of the Bible. I will give you a sample in this Study Guide. (It is not just called the Law, but also the Tora and the Pentateuch). So I hope you find this study to help you learn the first five books of the Bible, and maybe you can use it to teach others who want to learn more about the Bible.

Learn from the book of Daniel how to live confidently for Christ today. What does it look like to live with joy in a society that does not like what Christians believe, say or do? It's tempting to grow angry, keep our heads down, retreat or just give up altogether. But this isn't the first time that God's people have had to learn how to live in a pagan world that opposes God's rule. In this realistic yet positive book, renowned Bible teacher Alistair Begg examines the first seven chapters of Daniel to show us how to live bravely, confidently and obediently in an increasingly secular society. Readers will see that God is powerful and God is sovereign, and even in the face of circumstances that appear to be prevailing against his people, we may trust him entirely. We can be as brave as Daniel if we have faith in Daniel's God! "The message of Daniel is incredibly relevant for us in our generation. Not because it maps out a strategy for how to deal with our new lack of status ... or because Daniel was a great man and we need to follow his example. The reason is that it will help us to believe in Daniel's God." Alistair Begg, author.

The Reads Truth

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on?

She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

In 2002, 53,000 children died as a result of homicide worldwide (DOHHS, 2005), and child homicide has steadily increased each year since. Sadly, approximately 77% of all childhood deaths were caused by one or both parents. In the United States 3.3 million reports of child abuse are made annually involving nearly 6 million children (some reports list more than one child). The US has the highest rate of child abuse amongst industrialized nations, yet the US has the highest percentage of professed Christians. Something is terribly wrong! One in three women and one in five men report physical violence from his or her marriage partner. Research documents that rates of partner violence is no different amongst church members than non-church members. This means that in any given congregation, on average, one third of the members at some point will experience violence in their homes. . . Something is terribly wrong! In this Bible Study Guide we will examine God's design for families, the myriad faces evil takes in assaulting our homes and God's methods to bring healing here and now.

In the face of false teachings about Jesus, the apostle John took a direct approach. "I heard Jesus speak," he wrote. "I saw him . . . I even touched him." Just as we would write about someone we knew and loved, John told the early believers the truth about the Savior. But he didn't let them off the hook without an examination of their lives. "If we confess our sins, he is faithful and just to forgive us our sins and to cleanse us" (1 John 1:9). John was not alone in his concern about the influence of false teachers in the early church. Jude, a half-brother of Christ, also wrote to the believers. In his letter, he firmly warned against defecting from true biblical faith, urged all believers to fight for truth, and encouraged all followers of Jesus to stand firm in spite of intense spiritual warfare. The MacArthur Bible Studies provide intriguing examinations of the whole of Scripture. Each guide incorporates extensive commentary, detailed observations on overriding themes, and probing questions to help you study the Word of God with guidance from John MacArthur.

Life has a way of taking the life out of us. Often we go through situations where the challenge seems so much greater than our strength. During such times, we can find hope and inspiration from the story of Joshua. God had called Joshua to take over from Moses and lead the Israelites into a paradigm shift from wilderness wandering to promise-believing. In Canaan, they would not fight for victory but fight from

victory. God had a Promised Land in store for them, but they had to grasp that reality, change their mindsets, and take action to receive it. The same is true for us today. God is telling us that our best days—our “glory days”—are still ahead of us. We only need to grasp that truth and live in faith to realize this promise. This six-session video Bible study (DVD/digital video sold separately) includes leader helps, discussion questions, conversation starters, and between-session activities to enhance your understanding and application of Max's teaching. Sessions include: These Days Are Your Glory Days Inherit Your Inheritance Walk Circles Around Jericho Pray Audacious Prayers No Falling Words God Fights for You Designed for use with Glory Days Video Study (sold separately).

Say yes to the dreams God has planted in your heart. Every woman was born to dream—to live a life of beauty, passion, adventure, and purpose. No matter how big or how small they are, our dreams push us to become women of courage, grace, and grit. God in His goodness breathes new dreams within our hearts and revives the dreams that have died, inviting us to trust Him as we dream impossible dreams that only He can bring to pass—because God not only gives dreams. He fulfills them. In this six-week study we will look at Moses' journey to live out the God-sized dream given to him, exposing the ancient wisdom and truth God offers for every woman with a dream beating in her heart. With timely truth and encouraging accounts of God's heart and hand in the life of Moses as well as in the lives of ordinary women, author Tiffany Bluhm will dare you to dream the impossible dreams the Lord is stirring in your heart, reclaim any broken dreams, and trust God for the victory. Throughout the study you will identify: The role of prayer as you grow into your dreams. The importance of obedience as you pursue what God has for you. Why your dreams are a blessing not only to you but also to others. How your failures can be a gift that help your dreams become a reality. The life-changing love, power, and wisdom of the Dream God. Get ready to discover the role you are designed and destined to play as you partner with God for the impossible! She Dreams Bible Study Features: Encourages readers to discover and follow their God-given dreams. Learn how to live a life of dreams with this study of prayer, obedience, and the wisdom of God. What Happens When We Trust Him

Is it better to prove our point? Or just try to love? Christians today are facing a crisis of influence. In our rush to speak truth to today's tensions, cultural issues, and trending controversies, it becomes all too easy for us to focus on proving our points rather than extending God's grace. Conversely, when we seek only to love but never proclaim a better way, we short-circuit God's plan. As believers in Christ, we need to be known for both truth and love. In this video Bible study, evangelist Matt Brown draws on the example of the apostle Paul to show how believers can influence their world with the truth while living in a way that reveals their love. By developing the fruit of the Spirit, we naturally begin to draw others to the love of Christ within us. . . . and to the truth found in God's Word. Truth plus love is the formula for transforming our lives and influencing the world for Christ. The Truth Plus Love Study Guide includes video teaching notes, discussion questions, Bible exploration, and weekly personal study and reflection materials. Welcome to the Faith Upside Down Series of Bible Studies. This Bible study is for everyone, for the new follower of Jesus, a real eye-opening revelation of truth, and for the seasoned Christian, a rediscovery of the awesome nature of our God, and our relationship to Him. In the second study guide, Kingdom Life we head deeper into the Heavenly Realm. We will become aware of this astonishing truth; we are expressing God's Manifold Wisdom to the powers and principalities in the heavenly realms. In the final study guide, Suit Up we examine the full Armor of God. We learn what this armor is; how to wear it effectively, making sure we have a good fit. Through these series of Bible Studies, you will learn how to pray with renewed authority, power and effectiveness; you will learn to Pray Upside Down.

Right now, Truth is under attack, and much is at stake. Christians are caught in the crossfire of alternative Christian histories, emerging faulty texts, and a cultural push to eliminate absolute Truth altogether. As a result, many churches and Christians have been deceived. Worse still, they propagate the deception that poses itself as Truth! In The Truth War Study Guide John MacArthur claims the unwavering certainty of God's Truth and anchors Christians in the eternal, immovable promises that are found in His Word. For those struggling with contemporary society's apparent willingness to redefine "truth", the Truth War Study Guide: Empowers Christians to claim the certainties that God promises Critical evaluation of postmodern trends Teaches Christians how to identify and address the errors and false teachings smuggled into their churches For small group discussion or individual study

Readers who embark on a study of 1, 2, 3 John and Jude will encounter writers with a passion for learning and living the truth. If there is one verse in the Bible that captures the theme of these four letters, it is John 8:32, where Jesus says, "You will know the truth, and the truth will make you free." First John focuses on the truth about loving God, the truth about loving people, and the truth about the difference Jesus makes. Second and Third John and Jude all focus on the truth about bad religion and how Christians must take a stand against bad teaching, bad leading, and bad living within the church. This study will focus on those four truths and guide readers on a quest for truth in our day. To read these old letters is to read the words of people who loved the truth, especially the truth they had discovered in the life, death, and resurrection of Jesus Christ. This was the truth they held most dear, the truth that had transformed their lives, and the truth they felt was under attack in the early church. Studying these four letters will challenge readers to consider their own truth-the truth that governs their lives and the truth they feel is worth living and dying for. In a world where truth is a slippery reality, 1, 2, 3 John and Jude remind us that truth does exist and that truth still sets people free. This Study Guide for the Smyth & Helwys Annual Bible Study on 1, 2, 3 John and Jude serves three purposes: to educate the learner on major issues of appropriate interpretation, to offer an overview of theological themes, and to build the learner's Bible study skills by reviewing significant interpretations.

Counter the lies that keep you from abundant living. Satan is the master deceiver and his lies are endless. And the lies Christian women believe are at the root of most of their struggles. "Many women live under a cloud of personal guilt and condemnation," says Nancy DeMoss Wolgemuth. "Many are in bondage to their past. Others are gripped by fear of rejection and a longing for approval. Still others are emotional prisoners." In best selling Lies Women Believe, Nancy exposes those areas of deception most commonly believed by Christian women—lies about God, sin, priorities, marriage and family, emotions, and more. She then sheds light on how we can be delivered from bondage and set free to walk in God's grace, forgiveness, and abundant life. Nancy offers the most effective weapon to outner and overcome Satan's deceptions: God's truth!

Is there credible evidence that Jesus of Nazareth really is the Son of God? Skeptics dismiss the Jesus of the Gospels by claiming there is no evidence in the case for Christ. Lee Strobel disagrees. The former legal journalist and one-time atheist knows how to ask tough questions. His own search for truth about Jesus led him to faith in Christ. Now Strobel invites you and your group to investigate the truth about Jesus Christ leading to the facts that guided Strobel from atheism to faith in Christ. In this revised six-session study (DVD/digital video sold separately), participants will journey along with Strobel on a quest for the truth about Jesus. Rejecting easy answers, you will sift through fascinating historical evidence as you weigh compelling expert testimony. In the end, groups may very well see Jesus in a new way—and even, like Strobel, find their life transformed. Pastors, small group leaders, and individuals will find compelling answers for their questions about Jesus in The Case for Christ Study Guide. Sessions include: The Investigation of a Lifetime Eyewitness Evidence Evidence Outside the Bible Analyzing Jesus Evidence for the Resurrection Reaching Your Verdict Designed for use with The Case for Christ Video Study 9780310698517 (sold separately).

Faith is trust. It is a confidence in the power and goodness of God that leads us to make good decisions and allows us to surrender our lives to him. As we strive to mature spiritually and lead lives pleasing to God, we all want more faith. Hebrews 6:12 says that we are to be "imitators of those who through faith and patience inherit the promises." One of the best ways to grow in faith is to imitate the lives of people who have shown great faith. Hebrews 11 guides us through the lives of men and women—like Abel, Enoch, Noah, Abraham, Sarah, Moses, Rahab, David, and others—who have done just that. Real people with real lives and real problems, who had faith in a great God and trusted him at pivotal moments in their lives. By drawing on some of the greatest lives of faith in the Bible, readers will come to see that God was worthy of these men's and women's trust and faith during biblical times in the same way that he is worthy of ours today.

The answers I prayed for were right before me and I needed to see and act on them to become a better Christian, father, and husband. My relationships with God, my brothers in Christ, wife, and kids are stronger as a result of the work I brought to men's group and implemented in my daily life. I wish I had access to this information when I was younger." Mike, 39

WHAT DOES IT MEAN TO BE A CHRISTIAN THE WAY FIRST-CENTURY BELIEVERS DEFINED IT? As followers of Jesus, we call ourselves "Christians," but the fact is this word only appears three times in the Bible. In the New Testament, you'll find a host of terms that identify the followers of Jesus, but there is one metaphor used more frequently than any other. Slave. That's right. The first Christians, having been galvanized by the words of Jesus, gave up everything and called themselves slaves of Christ. Now you can learn why this word best described early Christ-followers—and you'll see how an understanding of this truth changes the way to follow Him now. This discovery will unveil the riches of your salvation in a radically new way. Now you or your group can use this study guide to drill down through each major concept in Dr. John MacArthur's remarkable book Slave: REWIND. Look again at the important passages. RETHINK. Check all the angles. REFLECT. Consider how it affects you. REACT. Change your life. The gospel is not simply an invitation to become Christ's associate or friend—it is a mandate to become His slave. Endorsements: "John MacArthur expertly and lucidly explains that Jesus frees us from bondage into a royal slavery that we might be His possession. Those who would be His children must, paradoxically, be willing to be His slaves." —DR. R.C. SPROUL "In this new book, John MacArthur presents a powerfully riveting and truly eye-opening look at our relationship to the Lord Jesus. Want to rise to a new level of trust and confidence in your Master? Then this is the book for you!" —JONI EAPECKSON TADA, Joni and Friends International Disability Center "Dr. John MacArthur's teaching on 'slavery' resonates in the deepest recesses of my 'inner-man'. As an African-American pastor, I have been there. That is why the thought of someone writing about slavery as being a 'God-send' was the most ludicrous, unconscionable thing that I could have ever imagined . . . until I read this book. Now I see that becoming a slave is a biblical command, completely redefining the idea of freedom in Christ. I don't want to simply be a 'follower' or even just a 'servant' . . . but a 'slave.'" —THE REV. DR. DALLAS H. WILSON, JR.,
