A sparkling contemporary retelling of Pride and Prejudice set in the tantalizing world of New York City burlesque, perfect for fans of The Kiss Quotient and The Roommate. After a betrayal derailed her interior design career, Liz Bennet found a fresh start in New York. Now an executive assistant by day and stage kitten by night, she ’ s discovered a second home with the performers at Meryton, Manhattan ’ s top-tier burlesque venue. Love ’ s the last thing on her mind when she locks eyes with Will Darcy across the crowded club, yet the spark between them is undeniable—that is, until she overhears the uptight wealth manager call her merely “ tolerable. ” Bennet is determined to write Darcy off, but once their besties fall head-over-heels, they ’ re thrown into each other ’ s orbit again and again. Each encounter begins to feel more heated than the last, but is their chemistry enough to topple that terrible first impression? What ’ s more, when a charming newcomer arrives on the scene with accusations against Darcy, and a sudden development leaves Meryton ’ s fate in jeopardy, Bennet will have to decide who to trust in time to salvage her design dreams, her heart, and the stage she shares with her found family...

After a betrayal like Wickham's there's no hope for a second chance... Will Darcy is in Dallas to close a merger, not to rekindle an old flame. And there's no room left in his heart for George Wickham, his childhood friend and the man who squandered every opportunity ever given to him. It doesn't matter that he still feels all that old desire when they're in a room together. The past belongs in the past. George Wickham has no idea of the secret merger planned between his company and Pemberley Industries—not until a last minute reassignment brings Wickham onto the transition team. Without warning, he's in face-to-face negotiations with the only man he's ever loved. Forgiveness is impossible after what he did a decade ago, but that doesn't mean he doesn't still want. Their passionate encounters in the boardroom lead them to the bedroom, but is it just a fling? Or can Wickham prove he's a better man than he once was and gain Darcy's trust for good? Darcy and Wickham steam up the pages of this modern day Pride and Prejudice interpretation.

Will Darcy is given an ultimatum by his father: propose to his cousin, Anne De Bourgh, by his next birthday or lose his inheritance. Angered, he agrees to travel to Hertfordshire with his friend Bingley, hoping to either reconcile himself to his fate or figure out a way out of it. At a local assembly ball, he meets a young gentlewoman who makes his blood surge. He compromises her, and insists they marry. Lizzy Bennet is the second child of a local landowner. She's intelligent, witty, and curious about everything. She is eager to meet her new neighbor's friend, but he insults her before she gets the chance. She is surprised later in their acquaintance when he first compromises her, then demands that she marry him. With little other choice, she agrees. What will happen when Will's father finds out about his marriage? Will Lizzy come to regret giving in to Darcy's demand?

With her temptingly large dowry, the beautiful and talented Georgiana Darcy catches the eye of numerous suitors, not all of whom wish to marry purely for love. As Georgiana navigates the treacherous waters of courtship, her story becomes intertwined with that of Anne de Bourgh, her wealthy but painfully awkward cousin, who stirs up trouble when she sets her sights on a young gentleman with a rank far below her own. In so doing, Anne encounters the opposition of her proud and domineering mother, the formidable Lady Catherine de Bourgh, and sets in motion a chain of events that brings a damaging secret to light and threatens to destroy Georgiana's dreams of happiness. Intrigues, gossip, and elopements further complicate Georgiana's efforts to find love and avoid the snares of fortune-hunters. Written in a sparkling, witty, humorous style on par with Jane Austen's own in Pride and Prejudice, Alice Isakova's Georgiana Darcy continues the tale that has delighted readers for over two centuries.

Traveling to Europe with her friends to marry Walter, author-turned-vampire Jane Austen is astonished when a husband from her past objects during the ceremony and reveals his own vampire nature, a situation that prompts an uproarious trip down memory lane. Pride and Prejudice and Mistletoe from New York Times bestselling author, Melissa de la Cruz, is a sweet, sexy and hilarious gender-swapping, genre-satisfying re-telling, set in contemporary America and featuring one snooty Miss Darcy. Darcy Fitzwilliam is 29, beautiful, successful, and brilliant. She dates hedge funders and basketball stars and is never without her three cellphones—one for work, one for play, and one to throw at her assistant (just kidding). Darcy's never fallen in love, never has time for anyone else's drama, and never goes home for Christmas if she can help it. But when her mother falls ill, she comes home to Pemberley, Ohio, to spend the season with her family. Her parents throw their annual Christmas bash, where she meets one Luke Bennet, the smart, sardonic slacker son of their neighbor. Luke is 32-years-old and has never left home. He's a carpenter and makes beautiful furniture, and is content with his simple life. He comes from a family of five brothers, each one less ambitious than the other. When Darcy and Luke fall into bed after too many eggnogs, Darcy thinks it's just another one night stand. But why can't she stop thinking of Luke? What is it about him? And can she fall in love, or will her pride and his prejudice against big-city girls stand in their way?
