James's works "Mistress Christmas" and "Miss Firecracker" create heat within the covers of this two-in-one anthology. Torn between the love he has...and the love he's always wanted. Chassie West Glanzer hasn't been a stranger to tragedy. So a year of wedded bliss to sexy-as-sin cowboy Trevor Glanzer has brought her the happiness and contentment she never thought she'd find. And running a ranch has mellowed Trevor's rodeo wanderlust. Then Trevor's old roping partner ambles up the driveway—throwing Chassie's life into chaos. Trevor never expected to see Edgard Mancuso again, after it became clear he couldn't be the man Edgard needed. Now Edgard has returned from Brazil to sort out their tangled past. Although Trevor is hat-over-bootheels in love with his sweet, feisty wife, he's plagued by feelings for Edgard he thought he'd buried years ago. Chassie's shock that Edgard and Trevor were once lovers turns to fear of losing her husband. Or worse, fear that Trevor will stay with her only out of a sense of duty. Edgard wasn't sure how he'd feel about Trevor's wife, but the more time he spends with the big-hearted cowgirl, the deeper their connection becomes. As the three of them test their intimate boundaries together, the sins of the past blur and fade, leaving raw emotion—and unbridled passion. Passion that could heal them...or cause irreparable damage to their future.

From New York Times and USA Today bestselling author Lorelei James comes a new story in her Blacktop Cowboys® series... Ambition has always been his biggest downfall...until he meets her. World champion bulldogger Sutton Grant works hard on the road, but his quiet charm has earned the nickname "The Saint" because he's never been the love 'em and leave 'em type with the ladies. When he's sidelined by an injury, he needs help keeping his horse in competition shape, but he fears trying to sweet-talk premier horse trainer London Gradsky is a losing proposition--because the woman sorta despises him. London is humiliated when her boyfriend dumps her for a rodeo queen. What makes the situation worse? She's forced to see the lovebirds on the rodeo circuit every weekend. In an attempt to save face, London agrees to assist the notoriously mild, but ruggedly handsome Sutton Grant with his horse training problem on one condition: Sutton has to pretend to be her new boyfriend. But make believe doesn't last long between the sassy cowgirl and the laid-back bulldogger. When the attraction between them ignites, London learns that sexy Sutton is no Saint when that bedroom door closes; he's the red-hot lover she's always dreamed of. The more time they spend together, the more Sutton realizes he wouldn't mind being roped and tied to the rough and tumble cowgirl for real... **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.**

Streeter Hale has room for only two things in his life: his daughter and his job. He doesn't date. He doesn't get attached. Not anymore. Luckily, Dinah's got the sass and sense to stand up to Silas's shenanigans. Now he's determined to prove he can offer me everything that he couldn't before. Boone the only man that can fix the heart that he broke. Boone Joining the army? Best decision I ever made. Even though I had to leave her behind. Sierra McKay. The wide-eyed beauty, who saw more in me than I saw in myself. Opposites don't just attract in the West--they sizzle--and Wyoming has never been hotter than in this sexy Blacktop Cowboys novel from New York Times bestselling author Lorelei James. When she sees him in action on the road, Riss can tell that Ike prefers his women soft-spoken and feminine. And since Riss is obviously the tomboy type, it's unlikely that they'll mix business and pleasure when they're in close quarters together. Former cattle broker Ike was ready for a new chapter in his life as a stock contractor when he started working with Riss, a sassy truck driver who has a devil under his skin at every turn. But Riss is unlike any woman he's ever met and her candor inflames him in the most unexpected ways. After circumstances force a truce between them, Riss and Ike will have to choose to maintain the stubbornne that keeps them apart or take a chance on the fiery attraction that could lead to something more....

Wild West Boys

From New York Times and USA Today bestselling author Lorelei James comes a crossover story in her Rough Riders/Blacktop Cowboys® series... A May-December romance hotter than the 4th of July... Bull rider Justin Donohue spent his youth hell-bent on winning world championships. After hitting the big 4-0, Justin takes a job at the Grade A Ranch and Rodeo School, where he immediately locks horns (and lips) with the sexy, sassy Callie—a 22-year-old cowgirl set on seducing him. Discovering their age difference doesn't deter Callie; neither does Justin's warning that she deserves more than a busted-up former rodeo cowboy. From the moment Callie Morgan encounters the hot-as-fire new ranch hand, she knows his gruff manner is an attempt to mask his attraction to her. But she's never backed down from a challenge, especially not when Justin's actions speak louder than his denials. Callie doesn't give a damn that he's older than her or what others might think of their relationship. The uptight cowboy needs to relax and she'll do whatever it takes to loosen him up, proving there are no age restrictions when it comes to lust...or to falling in love.

Workin' up a hot, sticky sweat is pure pleasure with a hard-ridin' cowboy.... Widowed, struggling stock contractor Gemma Jansen swallows her pride and tracks down former bull rider Cash Big Crow to offer him a job managing her ranch. Cash agrees on one condition: it won't be a strictly working relationship. She's the boss during the day, but once she's corralled in the bedroom, Cash calls the shots. Meanwhile, Carter McKay is spending his summer at the Bar 9 Ranch preparing for an art show. But he's definitely not prepared for the immediate visceral connection he feels to Cash's sexy and sassy daughter Macie Honeycutt. Lust flares between them and Macie proves she's up for any dirty fun and games that sweet and wild Carter dreams up. Gemma struggles with her feelings for Cash—except this time, Cash has grabbed the bull by the horns. He has to convince Gemma he's playing for keeps. The more time Macie spends with Carter the harder she falls for him. But will the brooding artist understand that trust is just as important as love? It's going to be a long, hot summer in Wyoming. Warning: this book contains explicit sex nine ways 'til Sunday, inventive rope play, graphic language, menage a trois, and all sorts of fun and kinky cowboy stuff.
