Deus Vult in skirmish? In our Nopat & Taktiikka gaming club there are few Deus Vult and we have been in communicating with FireForge -games. Previously we playtested their armylist for Mongols and when Francesco contacted me for play testing their skirmish version of Deus Vult - Burn & Loot - we were more than ready to accept the offer.

Our Deus Vult hoodie is an iconic representation of the crusaders that invokes the spirit of the warriors of Christ. Our hoodies aren't for fashionistas who want some lightweight hoodie that's little more than a long-sleeve shirt with a hood on it. This is a heavyweight hoodie made for maximum warmth and comfort. Our w

~~?The Growling Cow on Apple Podcasts~~

I've played Deus Vult a few times now. The command structure keeps both players involved as play alternates between divisions. The random leader thing is fun and prevents min/maxing during army building. Games do take a bit longer to finish than WAB or HC. I only wish they would put out more army lists.
